Dear Charles De La Rosa,

I would like to thank you and the team at Florida Foundation, Corp for providing excellent service to Ortega-Juneau since 2014. Your personal commitment to making our auger cast piles on schedule and providing excellent service is very much appreciated. In addition, your crew created a great work environment along with great attention to safety protocol.

I would highly recommend your services to any company looking for a proficient auger cast pile company. Please feel free to use this letter as a recommendation to other potential clients.

Thank you again for a job well done.

Sincerely,

Steven J. Roth
Construction Operations Manager
