Re: A+ Tile & Stone

To whom it may concern,

We had the pleasure of working with A+ Tile & Stone on a Pier 1 Imports in the Point West Plaza shopping center in Sacramento CA. in 2013 and would like to express our appreciation for the excellent service that they provided.

Throughout the project, they proved to have excellent coordination and communication skills. Submittals and RFI's were submitted in a timely manner and their work reflected quality and attention to detail. This greatly contributed to an enjoyable project experience for everyone involved, a successful end result and a very pleased owner.

We would recommend A+ Tile and Stone without any reservation.

Sincerely,
Paden & Bletscher Construction, Inc.
