Dan there should be about 10 tiles left over when we're done do you want me to install all of the pictures and just leave out the solid tiles or do you want me to leave a mixture of solid tile and painted pictures for the 10 extra

Hi Russell/Edgar/Brian,

We will have additional painted tiles delivered to you this Thursday. Please take (10) solid painted tiles out of the current tiles that you have so that they can be incorporated into the last bunch of tiles.

Thanks,
