To Whom It May Concern:

I am writing this letter to recommend the services of VK Jensen Enterprises, Inc. The projects they have completed for us include potable and sanitary utility work. They have been a subcontractor for us since 2005.

They have done excellent work for us and have always gone by the plans and specification to complete the work in a timely manner and within the budget. They are willing to go beyond the basic requirements and take pride in their work; they also get the job done in a safe and timely manner.

We have been pleased with the quality of work VK Jensen has displayed and would not hesitate to recommend them to other organizations for all related types of work.

Sincerely,

Sam Metz,
Construction Manager
