RE: United Insulators, Inc.

To whom it may concern:

We are pleased to recommend United Insulators, Inc. as a bidder on your project. This fine construction firm has been a client of ours for over 6 months.

United Insulators, Inc. enjoys a reputation for excellence and the commitment to deliver a product precisely within the terms of contractual agreements. The firm is financially strong and technically qualified to complete any work it entertains. We have never been called upon to complete a project on behalf of this contractor, nor have we received any complaints from owners or subcontractors.

We would favorably consider providing a bond in the \$350,000 range for single projects with a \$500,000 aggregate work program. This would be subject to confirmation of financing, a favorable review of the contract documents and bond forms, and a favorable review of other underwriting information at the time of the request.

This letter is not an assumption of liability, nor is it a bid bond or a performance bond. It is issued only as a letter of recommendation requested from us by our client. Should you require further elaboration within the context of non-confidential information, please do not hesitate to contact us.

Best regards ,
