The conditions the principal, bonding company, and the state of Washington agree to by taking out this bond are as follows:

- (1) As a precondition to receiving an electrical/telecommunications contractor's license under chapter 19.28 RCW et seq, the license holder must keep this bond in full force and effect. The action shall be brought: (a) in the superior court of any county in which the principal on the bond or assignor of the account resides or transacts business, or (b) in the county in which the work was performed which allegedly caused the breach of the conditions mentioned in (2) and (3) above. (8) The total liability of the surety on any bond shall not exceed the sum of \$4,000.00 and the surety on the bond shall not be liable for monetary penalties. Any action shall be brought within one year from the completion of the work in which the performance of which the breach is alleged to have occurred.
