Masonry Restoration brick repair repointing brick in back of house in 19130

Ed Kozubal

1 review

3 months ago

Mike came out and gave me estimate on my home stucco repair. We discussed the exterior and he gave me a quote that was nothing short of competitive and reasonable. He was very professional and timely with what had to be done. I would recommend him to anyone looking to update or restore the exterior of their home. 5 star service.
