

# Society of American Military Engineers

*Dedicated to National Security*

April 22, 2015

Mr. Ralph Velador  
Laborers Pacific Southwest Organizing Coalition  
4399 Santa Anita Ave Ste 204  
El Monte, CA 91731-1648

Dear Mr. Velador:

Congratulations to Laborers Pacific Southwest Organizing Coalition on becoming a Sustaining Member of the Society of American Military Engineers (SAME). We welcome you and look forward to your active participation. Membership with SAME offers you an excellent opportunity to connect with the decision-makers and the major stakeholders in DOD and Federal Markets. Not only will your company achieve more visibility, but also excellent opportunities to network.

Sustaining member benefits include:

- A profile of your company in our annual "Directory of Member Firms and Public Agencies" which appears in hard copy as well as on our web site. The profile includes your capabilities, special business categories, emergency response experience, as well as a description of your company. You can enter and update your data via our web site at [www.same.org](http://www.same.org).
- Admittance to special presentations and briefings given by the uniformed services, engineering chiefs and other senior government officials about future programs, emerging procurement procedures, new government business practices and budgetary, legislative and regulatory issues.
- Opportunities to showcase your products and services at local, regional and national conferences and virtually at the "Market Place" found on our web site at [www.same.org](http://www.same.org).
- Participation in committees, seminars, and technical workshops devoted to improving government-private sector business practices and increasing business opportunities.

Your company's certificate is enclosed. If you have any questions, or need assistance, please contact Cherlyn Thompson at (703) 549-3800, ext. 121 or email: [cthompson@same.org](mailto:cthompson@same.org). Again, congratulations and welcome to SAME.

Sincerely,

Marc Bialek  
Director of Membership
