SUBJECT: SMALL BUSINESS CERTIFICATION APPROVAL

Dear Ms. Hartman:

Your application for certification as a Small Business Enterprise (SBE) with the Regional Transportation District (RTD) has been approved pursuant to RTD's SBE program policies and procedures. RTD accepts your application and Personal Financial Statement as proof that you meet the criteria for certification as a Category 1 SBE.

Firms approved as Small Business Enterprises are certified to participate in non-federally funded contracting opportunities with SBE participation requirements. Certification does not guarantee contracts with RTD, and certified firms are still required to market RTD and prime contractors for prime and subcontracting opportunities.

Your company will appear in the next update of RTD's SBE Directory. RTD personnel will use this directory as an outreach source for suppliers and contractors as required. Based on the information you have provided, your company will be listed under the following classification code(s):

NIGP Code Master List #:

Specialty	
150-10	Construction Materials
150-15	Concrete, Polymer, All Types
570-00	Metals: Bars, Plates, Rods, Sheets, Strips, Structural Shapes
320-00	Fasteners: Bolts, Nuts, Pins, Rivets, Screws, etc.
914-30	Concrete
914-79	Structural Steel
345-56	Hats and Helmets, Safety

This certification is valid until July 17, 2018. However, on an annual basis, at least 30 days prior to the anniversary date of your original certification, you must submit a Change/No Change Affidavit, an updated Personal Financial Statement(s), gross receipts for the applicant business, and any affiliate businesses, number of employees, and any information on recent contracts/projects completed. It is your responsibility to notify RTD when any changes in your business structure occur that affect your qualifications as a Category 1 SBE.
