RE: Application for Recognition of Interstate DBE Certification

Dear Ms. Hartman:

We are pleased to inform Hot Shot Supply, Co. (HSSC) that its application to the Disadvantaged Business Enterprise (DBE) Program has been approved. In accordance with 49 Code of Federal Regulations (CFR) Part 26, HSSC is now certified as a DBE with the Texas Department of Transportation (TxDOT) and the Texas Unified Certification Program (TUCP). HSSC can now bid statewide as a DBE on federally assisted contracts in the following work category:

Material Supplier

[NAICS code: 423320, 423330, 423710, 444190]

HSSC must perform a Commercially Useful Function (CUF) to satisfy DBE contract goals on federally-funded transportation-related projects. HSSC performs a CUF when it is responsible for the execution of the work of the contracts and is carrying out its responsibilities by actually performing, managing and supervising the work involved. HSSC is also responsible for negotiating price, determining quality and quantity, ordering, paying for, and installing (where applicable) the materials and supplies needed to accomplish the contract. TxDOT, and any of the TUCP certifying agencies, reserve the right to review HSSC's certification at any time it is determined that such a review is warranted.

HSSC is required to submit a no-change affidavit form and supporting documents on the anniversary of its DBE certification. TxDOT will notify HSSC at the email address listed in the TUCP directory at www.txdot.txdotcms.com. As such, it is HSSC's responsibility to notify this office of any changes in ownership, management and control, or contact information. Failure to comply with these requirements will indicate HSSC's failure to cooperate under 49 CFR §26.109(c) and TxDOT will initiate decertification efforts.

Please contact this office at (512) 416-4700 and refer to Vendor Number 26645 if you have any questions.

Sincerely,

Michael D. Bryant
Director
Office of Civil Rights

NOTE: The TUCP includes the City of Austin, Corpus Christi Regional Transportation Authority, City of Houston, North Central Texas Regional Certification Agency, and South Central Texas Regional Certification Agency.
