Ralph E. Jones  
2240 Forster Street  
Harrisburg, PA 17103

Dear Beth,

*All of us here at Lobar Associates wanted to let you know how much we appreciate working with such a top-notch firm as Ralph E. Jones.*

*Lobar Associates has always had a strong relationship with Ralph E. Jones. We have decades of shared project experience, so we are more than confident to recommend you to any client. From our estimating staff to our field superintendents - your company's dependability, quality of craftsmanship and level of professionalism have always made Ralph E. Jones a "top choice".*

*Your responsiveness to scheduling needs is very evident with our partnership on the Rite Aid renovation program. Your crews always rise to the challenge of all the compressed schedules, out-of-town and night work required to meet the client's needs.*

*Also, both Lobar and our client were impressed with your crews on the Cigars International project in Hamburg. The diverse scope of work - from staining thousands of large wood decking boards and timbers to custom faux painting - was met with your usual high standards of performance on this complex project.*

*Finally, your company went above and beyond expectations on the flood remediation at Pinnacle Health System's Southgate building. Your willingness to send such a large crew (12-14 men) to work all hours of the day and night was essential to help Lobar restore the facility to full functionality within 30 days. We couldn't have done it without your firm's dedication and hard work.*

*Lobar Associates looks forward to our continued teamwork on future projects and highly recommends Ralph E. Jones as an excellent commercial painting contractor - one of the best in the business.*

Sincerely,

A handwritten signature in black ink that reads "Alan Witmer". The signature is fluid and cursive, written over a white background.
