On behalf of the residents and executive board of Waterford Condo, Assn, I am extending our sincere thanks and gratitude to you and your employees for a job well done. From the beginning when we decided to paint the interior hallways your company has provided outstanding guidance in selecting colors, ideas, and expertise. your input on colors and applications were just what we needed. During the painting process your employees were very professional - they were also courteous to residents. the painters were very neat and very clean. the walls , window trim, doors and elevators look great. Waterford residents are very proud on the new look in our building and we have you to thank for that.

Your company met the schedule as you outlined and the pricing estimate was spot on! Thanks again to you and your employees - I would not hesitate to recommend Ralph Jones to prospective clients...
