Re: Ross Design Build Turnkey at Salem Center

Dear Barry:

Now that the project has been turned over to Ross, Chris and I wanted to send this letter to thank you for all your efforts on the Salem Ross project. It was a challenging project to convert old mall space into a new Ross and work within an operating mall. Your efforts contributed to the overall success and a happy client.

Thanks again and we look forward to working with you on the next project.

Sincerely,
