

JennsCo Distributed by LDS&S, Sussex, WI

JennsCo's products and programs are proven and used globally; harbors for sludge removal, particle washing, oil fields for clean-up and bioremediation, NFL locker rooms, collegiate locker rooms, college dormitories, travel plazas, restaurants, and casinos.

CE-1000

CE-1000 Color Enhancing Countertop Treatment is a revolutionary coating designed to color enhance, transform and repair dull, worn, or damaged laminate, plastic, and natural stone surfaces.

CE-1000 is long lasting, simple and affordable to use, and leaves treated surfaces looking shiny, clean and new. Made entirely from naturally derived plant extracts and safe for the environment makes it a great choice for both industrial and household use.

**PRICING: \$12.82 for 8oz Spray Bottle
\$83.76 for 1 Gallon**

PreventX SCT (self-cleaning technology) is the latest advanced cleaning system designed to improve cleaning, reduce labor and extend the life of cleaned surfaces.

Routine cleaning with PreventXSCT means water spotting and hard water deposits will become history and you'll put an end to intense scrubbing for removal of oily soils, hard water deposits, and soap scum! Additionally, PreventX SCT will make your mirrors and glass FOG FREE!

**PRICING: \$51.28 for 1 Gallon Concentrate
Dilute with water 15:1 Ratio**

PreventX24/7 protects surfaces for up to 30 days with one simple monthly application. This is not a replacement for existing disinfecting protocols, but serves as a second level of defense against germs, odors, mold, and mildew. JennsCo's unique coating technology is EPA/FDA approved for food contact surfaces because it kills without poison and will not leach of treated surfaces or create super bugs.

The invisible coating reduces corporate liability, makes future cleanings easier, plus eliminated odor causing bacteria, mold, and mildew found in carpets, trash cans, bathroom, and showers. Even approved for fabrics! **PRICING: \$25.56 for 1 Quart**
