Lotspeich Co of Florida

Dear Sir:

Lotspeich Co has just completed a
buildout in one of my commercial buildings
on E. Oakland Park Blvd.

I wanted to write and tell you
about the terrific job that was done
and more important to let you know
it was a personal and professional
pleasure dealing with your people.

Ron Stretcher got me started and
Robby Gordon kept me going. Tim and
Wyatt did the work and its 1st Class.

The tenant, Homes Realty, had originally
wanted to do the job using mid-night
supplies. After seeing the completed job
and comparing cost everyone is delighted
we used Lotspeich -
