Dear Mr. Roberts,

We would like to express our gratitude and appreciation for the work you performed at our church facility recently. Both the manner and quality of your workmanship were exceptional and are to be commended. Additionally, through your generosity our church was able to save a large sum of money, which enabled us to allocate those funds to other areas of ministry, and for that we are very grateful.

As you may know, the facility remodeling that you were a part of was designed to help us reach out in a greater way to the children and youth of Broward County. There are so many families in our community that need to find the hope and life that only Christ can give. We believe that you have had a part in touching future generations with the love of God.

May God richly bless you for your generosity and your dedication to excellence.

May the LORD repay you for what you have done. May you be richly rewarded by the LORD...Ruth 2:12

With Appreciation,
