Dear David:

**WONDERFUL JOB!!** We here at ELCON Electric are all very excited about being in our new offices and feel we could not have accomplished any of this move successfully without all of your guys handling their prospective jobs in a timely manner..

**THANK YOU** so very much for the work done by your forces here in our new offices. We specifically want to note Scott Desharnais, Bobby Gordon, Claude, Wyatt, Gary, Corky and Al for their professional courtesies, conscientiousness on this project and demeanor throughout this hectic process.

Looking forward to showing off ELCON's new home, we remain.

Sincerely,

JIM McCONCHIE  
President
