Ground Floor Renovation Project**

Dear Tom,

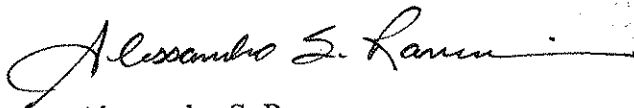

I am writing this letter to you in grateful appreciation of the remarkable job that your office staff and field crews preformed on this project.

The multiple phases and limited areas in which to work made it difficult at times and a real challenge to coordinate. Due to these many phases, the project was comprised of several different crews, all of which performed outstandingly under the leadership and direction of Tom Ciotta and all of the individual Site Foreman.

I don't know the names of all of the men who worked on this project, but please extend to all of the workers "a job well done" for their cooperation and quality workmanship.

We here at Jeffrey Brown Contracting, LLC look forward to the next opportunity to work with Iacoboni Site Specialist, Inc.

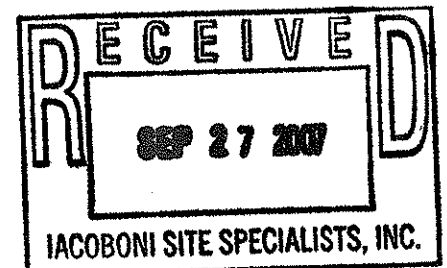

Sincerely,

Alessandro S. Ravera
Sr. Project Manager
