---

Good morning just a note to let you know my appreciation for a job well done here at the Fox Hill Project. Red and his team have done an outstanding job following all the safety requirements that the Weitz Company has in place. Not only has Red and his crew exceeded my expectations but on a daily basis have called me and reported other safety issue's on the job site. It's team work that gets a job done safely and on time, Red and his team have been a large part of that. Once again thank you for effort's here at the Fox Hill Project, keep up the good work you are one of the best Sub-contractor that have worked here at the Fox Hill Project.

Sincerely;

Norman Sunderman

Project Safety Manager
