RE: AAMC- Job Progress

Dear Tom,

I am writing this letter to thank you and your crews for their work this year on the various projects at Anne Arundel Medical Center. Despite various set backs the job has progressed very well. The success of the project to date is in large part due to the cooperation and hard work of the Iacoboni forman on the project, Les Pearson. He deserves special acknowledgement for his work this year. We look forward to working with you thru the completion of the job. Enclosed is a CD with aerial pictures showing the progress of the job over the past year.

If you have any questions, comments, or concerns, please feel free to contact me at 410.266.8214.

Very Truly Yours,
The Whiting-Turner Contracting Company
