Dear Mr. Thomas:

First of all, I want to congratulate you on being nominated for the 2005 Small Business Persons of the Year Award! I also want to thank you for taking time out of your busy schedule to share with us your personal business success story. All those involved in the selection process have been inspired by you and feel a great deal of respect and admiration for small businesses around the Valley.

We received over 100 nominations this year, each one moving and inspiring. The competition has never been so fierce, and each one of you should be applauded for your hard work and commitment to the community. Unfortunately, however, your company was not selected as one of our top ten finalists this year. As you know, there can only be ten finalists, as much as we would like to have honored all of you!

We wish you the very best of luck with all of your endeavors, and hope that you consider applying for the Chamber's Small Business Awards next year!

Sincerely,

Kristin Donaldson  
Vice President of Small Business
