Dear Jim:

Thank you for the excellent work your company performed this summer. After our school renovation, our windows and blinds were truly a mess. Your crew successfully cleaned over 200 hundred window blinds, over 2000 French windows and dozens of standard windows in an efficient and timely manor.

The importance of appropriate language and behavior of our contractors, while on church and school grounds, is paramount to us. We found your people to meet or exceed our expectations. You have a courteous group.

Thanks again for your good work and we look forward to utilizing your services in the future.

Sincerely yours,

Jim Stape
Director of Administration

To whom it may concern,

I wanted to write a letter to perspective clients of About Blinds to inform them what a great job they did for us at Saint Theresa Parish. They gave us a very competitive quote, with a time frame of three days. After getting into the project they realized our blinds were in worse shape than anticipated (They hadn't been cleaned properly in years). After spending a week at the job they came out perfect, not good but perfect. Jim is a perfectionist at his job. When he says he is committed to satisfaction he means it. Again I strongly recommend About Blinds & window Cleaning, Inc.

Sincerely,
